To

The Deputy Commissioner

Shimoga District

Sir,

I have the honor to state that one Narnappa of Ambragodlu village in the Avinahalli Inagani of the Sagar Taluk, has applied for survey No 19 measuring 2 5 guntas classed garden and assessed at Rs 9 1/2 which is lying waste for garden cultivation on — concessions more liberal than are authorized by clause 7. Appendix I Land Revenue Rules. He offers to take up the land on the same terms as are sanctioned in the case of unassessed Government waste land granted for garden — cultivation, that is, for the first 12 years — including the year of the grant four annas per acre per annum, and for the 13th, 14th and 15th years 1/4th, 1/2 and 3/4ths, of the — assessment, and the full garden rate from the 16th year.

2. The survey No in question remains —

remains unoccupied since 1881-82 and contains 45 old trees which are not in bearing. The applicant will have to plant garden anew, before he could expect any benifit from it.

3. Proclamation, as required by law was issued, but none came forward to take up the land on more favorable terms to Government.

4. Under these circumstances, I beg to recommend that the land in question may be given to the applicant on the terms offered by him and request that Government sanction may be obtained for the same.
